OBJECTIVE

An aspiring full-stack software developer. I aim to be a professional software engineer with knowledge of the front-end/UX and the back-end of software.

I am an enthusiastic applicant who looks forward to a challenging but interesting experience, which I believe will enhance my knowledge and skills in my field of work and study.

EDUCATION BACKGROUND

1. Gandhi Institute of Technology And Management (GITAM)
   (Bachelor of Computer Applications)
   2021 – to date

2. University of Professional Studies Accra (UPSA), Ghana
   (BSc Information Technology)
   2020 – 2021
3. Okuapemman Senior High School, Ghana.
   (Business)
   2017 – 2020
